Public Safety Business Center

Public Safety Business Center

Business Center Vision

To be recognized as providers of exceptional public services.

Mission Statement

To provide safety to life and property through operationally and financially efficient and effective programs.

Summary of Services Provided

- 1. Emergency Communications
- 2. Emergency Management
- 3. Florida Keys Marathon Airport
- 4. Solid Waste Management

Major Variances

•Major Variances include increases in personnel budget consistent with compensation increase for FY 05. Increases in communications related repair and maintenance make up the majority of the operating expenditure increase. Capital outlay decreases are the result of decreases in Solid Waste equipment budget, and impact fees-solid waste.

Communications

Mission Statement

The Monroe County Emergency Communication's Department provides maintenance, planning, engineering, procurement, protocol and installation of all communication systems for the Department under the Board of County Commissioners and the Sheriff's Department. The Department strives to provide consistent dependable wireless communications for the daily routine communications needed to provide services to Monroe County. The Department maintains high standards with redundant facilities to assure the necessary emergency communications required by emergency services in protecting the life and property of Monroe County citizens and visitors.

Summary of Services Provided

- Provide 24/7 emergency radio system maintenance and repair for all County systems to and including the Sheriff's Department.
- Provide radio system design, construction, and support.
- Maintain County infrastructure of towers and radio facilities.
- Provide Countywide 911 coordination, budgeting, maintenance, planning and enhancement programs.
- Provide law enforcement calibration, maintenance and support of radar equipment.
- Provide maintenance and support the Public Safety Dispatch centers.

Emergency Management

Mission Statement

Provide planning, preparedness for, and coordination of response activities to events which threaten the health and safety of Monroe County residents and visitors, and which may damage property and affect the economy within the County. These events include: hurricanes, tornadoes, terrorist activities, waterspouts, mass immigration, hazardous materials accidents, large fires, air crashes, civil disorders, a possible accident at the FP&L Turkey Point Nuclear Power Plant or nuclear attack.

Summary of Services Provided

Emergency Management creates plans for any event that might impact the infrastructure of the County or the safety of its residents and visitors, works to find ways that will mitigate their impact, responds to these events, and coordinates recovery efforts by County and outside agencies. EM also provides training for volunteers, facilitates public education on many levels, and designs and participates in exercises that increase awareness of threats and our ability to respond as well as enhancing preparedness of all agencies that would participate in such an event.
